## Parent Information Notes 2010 Registration

Please use our website as a resource – [www.grba.org](http://www.grba.org). The website is kept updated with the latest information and announcements for the Recreation and Travel Baseball and Softball Programs.

Please set your email filter to accept emails from [grbainfo@gmail.com](mailto:grbainfo@gmail.com). This is the GRBA's general email account and announcements about our programs and activities will come from this address.

Please consider volunteering for an evening or a Saturday shift in our Hamilton School Snackstand. Money raised in the snackstand is used to help the baseball and softball programs. We rely upon volunteers to keep our costs down.

Teams will be finalized by early to mid-March. You can expect to hear directly from your child's coach around that time. Different levels will hear at different times. However, all rosters will be posted on the GRBA website when individual leagues are ready.

Team practices will begin when fields are opened by the Town, weather permitting, in mid-March.

We are asking all our coaches, parents and players to respect our fields. Please follow the messages on the field hotline number (201) 251-8494. Please also keep the fields clean by picking up bottles, can, wrappers, etc.

Coaches will be selected in early to mid-February with the intent of conducting drafts for the older leagues by the end of February or early March.

We are seeking Team Sponsors. If you know of any business that would like to Sponsor a team, please have them visit our website - [www.grba.org](http://www.grba.org).
